

PRESS RELEASE

Missing Persons
September 5, 2018
NPD CN# 18-23673

On 9/5/18 The Naugatuck PD received a report from the Naugatuck school system that they could not locate students previously enrolled in the Naugatuck School System last school year.

At approximately 9:30 AM administrators from the Naugatuck school system went to a residence listed as the students home and discovered the residence had been vacated. The parents and students were identified as Father Andres Bravo (DOB 2/4/75) and Mother Jennifer Cubillos (DOB 2/8/85), Child 1 Samantha Bravo (DOB 11/20/06) and Child 2 Christopher Bravo (DOB 4/7/04).

The school system advised that the students were last seen at the end of the 2017-18 school year in June and were last known to reside at the vacated address in Naugatuck with both parents. School administrators advised that all phone contacts for the parents are either no longer in service or no longer belong to the parents.

Naugatuck Officers and Detectives began an investigation and determined that the home had been sold and vacated in late June / early July and that the parents told family members at that time that they were planning to move to Florida. It was further discovered that the last time anyone had physical contact with parents was in late June / early July at a local bank. Family members further advised that they had received text messages from the parents until about August 11th and that the last messages they received indicated that they needed money for car insurance and were planning to return to Connecticut.

All DMV information for the parents is listed to the vacated Naugatuck address as well as a car registered to the parents, a gray 2007 Dodge Nitro SUV displaying CT Registration # AL-51810.

Based on the limited information on the whereabouts of the family all were listed as missing through the National Crime Information Center (NCIC system) and the juveniles were listed as Silver Alerts. Naugatuck Detectives are actively investigating this incident. Based on information obtained in this investigation thus far there is no indication of criminal activity however the safety of all individuals involved needs to be verified.

If anyone has information on the whereabouts of these individuals they are urged to contact the Naugatuck PD at 203-729-5221 or the NPD Confidential Tip Line at 203-720-1010.
